

Lead – Learn – Practice – Apply

Oregon ODN's Value Proposition

We help make healthy, resilient organizations possible by providing the tools and expertise to assess, lead, and transform.

Who We Serve

We facilitate effective partnerships by serving:

- **Managerial leaders** from all disciplines whose success is tied to creating highly successful work groups at the project, department, or organizational level.
- **Current and aspiring consultants and educators**, internal and external, in Organization Development (OD) and related fields whose expertise helps managers create success and transform organizations.

Benefits of Membership

- **Monthly programs** on current OD topics that engage and inform, presented in an experiential, collegial, and conversational setting.
- Opportunities for members to **expand their professional network** and make work connections.
- Through the **Community Consulting Project (CCP)**, opportunities to learn, practice, and lead by participating in projects that serve our community.
- Through **Vital Signs partnerships**, access to an assessment that illuminates opportunities for achieving higher levels of organizational health and wellness.
- **Expert-led workshops** on the “how-to’s” in areas of mutual interest to managers and consultants.
- **Special Interest Group (SIG)** forums for members to come together for collaboration and learning.
